

Our Terms and Conditions

Below are the terms and conditions on which the The Off-piste & Telemark Ski Company (O-pTSC) provide courses and tours, as fully described in their website and the 'Trip Details' specific to each course or tour. The O-pTSC is a trading name for John Eames whose address is the Off-piste & Telemark Ski Company, 20, Bryn Teg, Beaumaris, LL58 8HF, United Kingdom. We require you to confirm your agreement to these terms and conditions so please read these terms and conditions carefully and 'check' the appropriate box at the end of the on-line Booking Form.

Our Instructors and Leaders

Some of the Services described in specific Trip Details will be provided to you by the O-pTSC and our Instructors and Leaders. All of our Instructors and Leaders are self-employed and are not under our direct control. We will endeavour to ensure that they have sufficient experience, qualification and training to assist us in providing the trip to you to the standards set out in the Trip Details.

Payment

Full payment of the Price (less the balance of the Deposit) becomes due no later than 56 days prior to the date of commencement as described in the Trip Details and will be clearly set out in the Booking Confirmation. Interest shall accrue from the date when payment becomes due from day to day until the date of payment at a rate of 2% above the Bank of England base rate from time to time and shall accrue at such a rate after as well as before any judgment.

Deposit

A non-refundable deposit specified in the Trip Details is payable at the time of your booking and your booking will not take effect until we have received the Deposit.

If you cancel

If you have booked a trip as described in the Trip Details and you cancel with more than 56 days notice, then the TSC are entitled to retain your Deposit. This is to compensate the TSC for losses incurred as result of the cancellation including administrative costs incurred in seeking to mitigate its losses by re-offering and re-advertising the vacancy in the trip. This charge does not affect any other rights that the O-pTSC may have. If you cancel the O-pTSC can credit your Deposit towards an alternative course or tour booked within 90 days of the date of cancellation; your intention to do so should be stated at the time of cancellation.

If you have booked the trip as described in the Trip Details and you cancel with less than 56 days notice then you are liable to pay the full Price (the balance due after paying the deposit as detailed in your Booking Confirmation/Statement). This is to compensate the O-pTSC for losses incurred as result of the cancellation including administrative costs incurred in seeking to mitigate its losses by reoffering and re-advertising the Trip Details. The O-pTSC may choose to refund monies that are for hotels, transfers or any other services, only if the O-pTSC is not liable to pay those providers because of the cancellation policies of those providers. This charge (the payment of the full price) does not affect any other rights that the TSC may have.

If we cancel

We may have to cancel the services as described in the Trip Details but will use our best endeavours to avoid such cancellation less than 56 days prior to the commencement date as described in the Trip Details. If we cancel the course or tour as described in the Trip Details we will either offer you another scheduled course or tour without further charge to you or, if this is not possible, offer you a full refund of the Price and /or Deposit as appropriate. For avoidance of doubt the O-pTSC are not liable to you for any further losses or damage as a result of such a cancellation.

The O-pTSC may cancel or substantially change the services described in your Trip Details during the provision of the services. This will usually be at the request of one of our Instructors or Leaders on the grounds that your own acts or omissions are placing the other members of the group at risk or you are causing unreasonable disruption. In such circumstances the O-pTSC are entitled to retain all monies paid to us to compensate the O-pTSC for losses incurred as result. This charge does not affect any other rights that the O-pTSC may have. In such circumstances the TSC are not liable for any loss or damage you suffer as a result of the cancellation, for example, but not limited to, your additional costs for additional travel and accommodation.

Complaints & Disputes

If you are unhappy with the Services we provide you should discuss any problems or issues directly with the instructor, leader or mountain guide, immediately during your ski course or tour. They will help rectify the problem as soon as possible if they can. Failure to speak with anyone during your stay could invalidate any complaint you may choose to make after your return. If you are still unsatisfied on your return please write direct to O-pTSC within 28 days of returning home. If you wish you may, at any time, take court proceedings. If so, you must do so within the courts of England and Wales. This contract is governed and construed by the law of England and Wales.
